TUMKUR DIVISION.

ADVERTISEMENT.

The 14th May 1889.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Tumkur Division, up to 15th June 1889, for restoring Gundagal Tank and Feeder, Registered No. 174, of Maddagiri Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 1st March 1891.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Tumkur between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

Approximate estimate of quantities for restoring Gundagal Tank and Feeder, Registered No. 174, of Maddagiri Taluk.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government promissory notes as earnest money, and be superscribed "Tender for restoring Gundagal Tank and Feeder, Registered No. 174, Maddagiri Taluk;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer of Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

C. T. DALAL,
Executive Engineer.

PROCLAMATION.

The 26th April 1889.

"An American Banjo by H. C. Dobson of New York valued at 350 was stolen on the night of the 25th instant from the house of Mr. C. Privett Carnac, Comptroller, Central Provinces.

The Banjo has nickel plated body with a patent metal sounding arrangement inside. It has a rose wood neck and ebony finger board and machine head for turning the strings. The maker's name is stamped on it and it has a number of its own which will be notified hereafter.

Mr. Carnac's initials are on a nickel silver plate near the finger board.

[illegible] knew should you hear of the instrument anywhere.
